

East Riding College
for business

LEVEL 2 QUALIFICATIONS

East Riding College provide specialist training to help small to medium sized businesses upskill their workforce. We work with employers across the region to create bespoke training plans, identify skills gaps and formulate flexible solutions for the workplace.

We offer a variety of courses and courses up to level 2 are fully funded to businesses. Courses are delivered with support from an assessor in a way that suits, from online learning, classroom delivery, distance learning or face to face drop in sessions.

Call us on 01482 390888 or email business.development@eastridingcollege.ac.uk

Bespoke Training

If there is something in particular your business needs please ask as we may be able to offer it as a single unit of a large qualification which suits the business needs. Any training that is taken and completed there may be the opportunity to complete an accredited level three in first aid or food safety or a level three in another subject at a reduced rate.

Further Information

Some of the courses can be run on the employers premise with suitable training facilities and substantial group size. Our three day courses can be completed one day a week over three weeks.
